INFORMATION DISCLOSURE STATEMENT TRANSMITTAL

Mail Stop
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants submit herewith patents, publications, or other information of which they are aware, which they believe may be material to the patentability of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

While this Information Disclosure Statement may be "material" pursuant to 37 CFR 1.56, it is not intended to constitute an admission that any patent, publication, or other information referred to herein is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR 1.97(g) the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists.

The attached form, a substitute for PTO-1449, provides a listing of patents, publications, or other information as required by 37 CFR 1.98(a)(1). Copies of non-patent documents listed on PTO-1449 are provided.

Applicants note that the enclosed Information Disclosure Statement is filed after the period described in 37 CFR 1.97(b), but before the mailing date of any of a final action under 1.113, a notice of allowance under 1.311, or an action that otherwise closes prosecution in the application. In accordance with 37 CFR 1.97(c), Applicants submit the statement specified in 1.97(e)]. In particular, Applicants state in compliance with 1.97(e)(2) that no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in 1.56(c) more than three months prior to the filing of the enclosed Information disclosure statement.

In the event a fee is required in connection with the enclosed Information Disclosure Statement, the Commissioner of Patents and Trademarks is authorized to charge Deposit Account No. 09-0447 for the necessary amount.

Respectfully submitted,
